Subject: First Amendment on Consent

Mike – Please find attached the First Amendment on Consent among EPA, DuPont, and Chemours. This version is meant to capture the most up to date terms that form an agreement in principle among the parties. As I just noted during our brief call, I will need to make sure the tweak to the language in Paragraph 17 works, as I expect it will, for EPA. Once we are in agreement that the Amendment is in draft final form, we will start the sign-off process in EPA. I expect we will talk further tomorrow about the Model Water Treatment Plan and SOW.

Thank you,
Jacquie
